Call to the Bar for Input on Bill C-78

The NCJ Rules Committee (the "Committee") reviewing the *Divorce Rules* is seeking input from the bar regarding the implementation of s. 7.8 of Bill c-78, *An Act to Amend the Divorce Act*.

Section 7.8 requires the Court to consider any of the following that are “pending or in effect”:

a child protection order, proceeding, agreement, or measure.

The Committee is considering how best to implement this considering the confidentiality provisions of the child protection legislation and also recognizing that such “orders, proceedings, agreements, or measures” may arise outside of the Court’s jurisdiction.

The Committee would appreciate any input by December 9th. We apologize for the short notice. All responses may be sent via email to Mark Mossey at mmossey@gov.nu.ca.
